

5. Amendment to Whitehall Public Library RFP: Page 3 and 4, section f. **Proposal Distribution & Addenda**

There is no bid form attached to the RFP, nor will there be one. The paragraph should now read:

5. **Proposal Distribution & Addenda**

The request for proposal, addenda, and any related documents will be posted on the library's website at: <https://whtpl.org/rfp2019>. It is the proposer's responsibility to regularly monitor this website for any additional documents and postings. Addenda may be used in the event that additional clarification or revision to the RFP is needed. ~~Proposers must acknowledge the receipt of any addenda on the Bid Form.~~ Proposer's failure to retrieve such addenda and incorporate their appropriate provisions in their response may result in disqualification.
